Have a used, worn or damaged American flag, but aren't sure where or how to dispose of it? The St. Charles County Veterans Best Practices Working Group will collect flags at a drive-by collection site in downtown St. Charles, at the corner of Monroe and Second Streets. Flags collected will be properly disposed of at a ceremony later this year.

Flags also may be dropped off year-round at the reception desk in the County Administration Building lobby at 201 N. Second St. in St. Charles.
