St. Charles County Boat Ramp Closed for Construction

St. Charles County, Missouri – The St. Charles County Parks Department has temporarily closed the public boat ramp at Klondike Park, 4600 Highway 94 South in Augusta, for maintenance repairs. The maintenance to the new ramp will allow public access year-round.

“The ramp should reopen in a couple of months, just in time for boating season” said Park Director Bettie Yahn-Kramer. “Completion of the project is contingent upon low Missouri River levels and adequate weather conditions.”

St. Charles County has another free public boat ramp which accesses the Mississippi River at Hideaway Harbor Park in Portage des Sioux.

Park visitors are always encouraged to call the St. Charles County Parks Closure/Cancellation Hotline at 636-949-7475 for updates on the status of this facility.
