## St. Charles County Parks Department Hosts Annual Easter Egg Hunt March 23

*St. Charles County, Missouri* — More than 4,000 candy-filled eggs will be hidden throughout the Youth Activity Park's 25-acre facility in Dardenne Prairie for children to find, during the eight annual St. Charles County Parks Easter Egg Hunt, Saturday, March 23. For just \$5 per child, registrants will be able to participate in the outside hunt as well as enjoy a variety of egg-themed games inside the park complex. The Easter Bunny will also be visiting with children and available for photos throughout the event.

There are three separate hunts going on during the festivities. Hunts for toddlers (3 and under) begin at 10 a.m., children ages 4 – 6 at 10:30 a.m., and kids 7 – 12 at 11 a.m. There are nearly 1,400 eggs to hunt for in each age group. In addition, one child in each age group will have a chance to win a basket filled with toys and goodies after finding the “prize egg” with a message inside.

Advanced registration is encouraged as each hunt is limited to 100 participants. To register, contact the Youth Activity Park (7801 Highway N, in Dardenne Prairie, 63368) at (636) 561-4964 to sign your child up today.
