

New Town Boulevard To Close For Road Construction

June 11, 2012

Contact: Nathan Tormala, Construction Manager, 636.949.7305

St. Charles County, Missouri – New Town Boulevard will be closed between the New Town Drive and Highway B beginning Wednesday, June 20, to allow for continued improvements of New Town Boulevard.

Motorists will be required to use the signed detour route for approximately seven weeks while the new road section is being built. Local traffic can access either side of the closure location, but no through traffic will be permitted.

Motorists can access New Town Boulevard using Highway B and Seeburger Road. Signs notifying motorists of the closure and the necessary detours will be posted. The County will use changeable message boards to notify residents of any date changes of the closure and opening.

This road project is part of a continuing effort by St. Charles County Government to improve the county's road system for the safety of the traveling public. Contact the St. Charles County Highway Department at 636.949.7305 for additional information concerning road projects underway in unincorporated St. Charles County.
