Enjoy Sounds of the Season at St. Charles County Heritage Museum

St. Charles County, Missouri – The community is invited to enjoy the annual *Sounds of the Season at St. Charles County Heritage Museum*, located at 1630 Heritage Landing (off Highway 94 at the Heritage Crossing exit) near St. Charles, from 1:30 – 3:30 p.m., on Sunday, Dec. 14. Presented by the St. Charles County Parks and Recreation Department, this popular musical program invites you to come in out of the cold, sip a cup of hot apple cider, and enjoy a variety of inspiring music while touring the transportation exhibit at the museum. The first 50 guests will receive a complimentary 2014 commemorative ornament to remember the special occasion. Musical performances begin at 1:30 p.m. with the renaissance music of the [Greenleaf Singers](#), followed by vocal and instrumental performances by Girl Scout Troop 1166 at 2:15 p.m. and the upbeat sounds of the St. Charles Community Singers at 3 p.m.

“This year we added a beautiful holiday train display as part of the transportation exhibit,” said Parks Director Bettie Yahn-Kramer. “This free, festive program is enjoyable for all ages.”

The interactive transportation exhibit, *On The Move...A History of Transportation in St. Charles County*, showcases rivers, rails and roadways in St. Charles County. Guests are encouraged to watch the musical performances in the museum meeting room and then explore the new exhibit and train display. The exhibit features touchscreen maps, a model bridge building area that is especially fun for children, and a steamboat pilot house computerized game that simulates the experience of navigating a vessel up the Missouri River. Other areas of the museum feature displays about the Missouri-Kansas-Texas Railroads and the bridges of past and present in St. Charles County.
