C.R.U.S.H. Billboard Announcement

St. Charles County, Missouri- The Office of Prosecuting Attorney Tim Lohmar is pleased to announce that C.R.U.S.H. (Community Resources United to Stop Heroin) secured it's second billboard to draw attention to the growing Heroin epidemic. It is the goal of the coalition to educated St. Charles County in the dangers of heroin use.

The graphic was designed and donated by the St. Charles County Ambulance District. The ambulance district is a proud community partner with C.R.U.S.H. The simple design yet bold statement is to provide a phone number to the NCADA (National Council on Alcoholism and Drug Abuse) that hopefully will empower and encourage someone to take the first step towards help and/or recovery.

The billboard is located on Highway I-70 west between the Fifth and Zumbahl Exits. Thank you to all the members of C.R.U.S.H for their continued support. If you would like to learn more about C.R.U.S.H. or review our members find us at <http://www.sccmo.org/1541/CRUSH>
