Celian Found Guilty by Jury of Unlawful Use of a Weapon

St. Charles County, Missouri- The Office of Prosecuting Attorney Tim Lohmar announces that Kenol Celian, 43, of Kansas City, MO, was found guilty by a jury for one count unlawful use of a weapon. This is a Class B Felony.

Charges arose in September of 2015 when Celian fired two rounds from a weapon at another vehicle. Bullet fragments were found in the victim's wheel. The victim was able to identify Celina's vehicle and upon a traffic stop the Smith and Wesson 9-millimeter weapon was found in his glove box. The copper fragments found matched the bullets recovered from Celian's vehicle.

Celina is set for sentencing on September 21, 2018 in front of the Honorable Ted House. Conner remains in custody.
