LEARN TO HOMEBREW WITH THE PROFESSIONALS NOV. 7 AT THE COUNTY'S HERITAGE MUSEUM

ST. CHARLES COUNTY, MO – If you're 21 years or older and interested in learning how to safely homebrew beer from the professionals, the St. Charles County Parks and Recreation Department has just what you're looking for! Join us for the sixth annual Homebrew Day from 10 a.m. to 2 p.m., Saturday, Nov. 7, at the Heritage Museum, 1630 Heritage Landing in St. Peters. The free program is held on the patio outside the museum; social distancing and a valid photo ID are required.

With the help of the Little Hills Home Brewers, participants will learn the art of making beer at home through hands-on demonstrations. While sampling delicious homebrewed beer, you'll learn about the equipment needed and how easy it is to start a home brewery. By the end of the session, the group will have brewed five gallons of extract beer with specialty grains.

This educational, entertaining program was developed by the Parks Department to assist the members of the Homebrewers American Association in introducing non-brewers to this centuries-old hobby. To register, visit <http://bit.ly/2020LearnToHomeBrewDay> or call the Parks Department at 636-949-7535.

About St. Charles County Parks & Recreation

The St. Charles County Parks & Recreation Department was created in 1997 after voters approved a local use tax with the sole purpose of park land acquisition, development, operations and maintenance. The department's mission is to preserve natural and historic features in areas throughout the county for the use of future generations. Today, the department operates 17 parks that total 3,947 acres of acquired park land. From historic homesteads to a youth skate park; from camping, hiking, biking, and fishing to weddings and educational classrooms, there's something for everyone in St. Charles County Parks.

For more information and specifics about each park, amenities, trails, and more, visit stccparks.org.
