DAYCARE PROVIDER INDICTED FOR CAUSING CHILD'S DEATH

St. Charles County Prosecuting Attorney Tim Lohmar announces that Lisa M. West, 40 years old, formerly of the 600 block of Autumn Creek Drive in Wentzville, Missouri, is in custody for the class A felony of abuse of a child. Charges arose from the September 8, 2009, death of an eighteen-month old boy while he was in West's care at her in-home daycare business. The child died as a result of non-accidental head trauma. Investigation into the child's death has remained open and culminated in her recent indictment by the St. Charles County Grand Jury. West surrendered herself this morning to the St. Charles County Department of Corrections. She is being held on a \$100,000.00 cash only bond.
